

DEN-S600

## ***Introduction:***

Our external slim ODD enclosure with USB cable embedded and very easy to install with patented Slide-in Design.

Our DEN-S600 has the smallest dimension among similar products on current market, and it can be the best companion of your Mini-Notebook!

Light and handy appearance allows you to carry this external ODD everywhere with your Mini-Notebook, and play the DVD/CD Disc easily as well as backup your data without heavy carryon.

## ***Features:***

1. Compatible with slim type optical drive device.
2. High quality and durable plastic enclosure with light weight
3. Very easy to install with patented Slide-in Design. (Please refer to the **\*ODD Installing Illustration**)
4. Low Power Consumption design (USB Bus Power Competent)
5. Auto Power Input Adjusting for USB-DC Cable or AC adapter
6. Over Current Protection design
7. Reverse Current Protection design
8. Reverse Terminal Installation Protection design
9. The smallest dimension among similar products on current market

**Specification:**

Main Chip	Prolific SC600
Interface	USB2.0
Interface transfer rate	480 Mbps
Data transfer rate	32 MB/Sec
Connector port	Mini B Type
ODD interface	SATA
OS Supported	Windows 2000/XP, Vista
LED indication	Power on – Blue; Read/Write - blinking
Power Input	1. USB Bus Power : 5V (USB2.0 cable) 2. DC Input : 5V (OPTIONAL USB-DC Cable or AC adapter)
Enclosure	Plastic with light weight
Accessories	Mini USB2.0 Cable
Package	Color box, paper cushion
Dimension	L142 x W137 x H19.5mm
Product Weight (without ODD)	120g
Incombustibility	UL94V-0
RoHS compliance	Yes
Certification	CE, FCC
