Form Factor

With PCI Bracket

support SSD

1 x M.2 PCIe NVMe SSD (support 2230/42/60/80)

Interface

PCIe x4 Golden Finger

Anti-Vibration

With anti-vibration (upper/lower springs)

Transfer Rate

Support PCIe 3.0/4.0 x4 NVMe (32Gbps/64Gbps)

Heat Sink

With tool-less aluminum cover + upper/lower thermal grease

Material

Stainless tray with Aluminum bezel, stainless body screw on adapter

Security

With key lock design

Power	Via PCIe
LED Dedication	Dual LED : Power on (green), SSD accessing(orange blinking)
Color	Metal color+Black PCB
Dimenion	167.3mm x 120.8mm x 19mm
